

Children's Charter

As children and young people, you have a right to be protected and to be safe from harm. When you have difficulties or problems, you can expect us to:

- get to know you
- listen to you
- involve you
- speak with you
- take you seriously
- respect your privacy
- think about your lives as a whole
- be responsible to you
- use our power to help
- put you in touch with the right people
- help you to be safe.

If you have any questions or want more information, talk to your Relationships Australia WA service practitioner, a staff member or Location Manager. You can also call us on (08) 6164 0100 or visit www.relationshipswa.org.au.
