

Bringing Up Great Kids

Bunbury

A relationship with a loving, safe parent is the best relationship a child can have. This course is for parents and carers who want to understand their child's behaviour and through self-reflection, gain helpful insights into their own parenting. We will also help you identify the important messages you want to pass onto your child and how to do this.

This is an inter-active 5-week course which supports you to:

- Reflect on the origins of your parenting style and how it can be more effective
- Learn about your children's developing brain and understand how to meet their growing needs
- Examine the messages you pass on to your children through your behaviour and reactions
- Understand the underlying messages in children's behaviour and how to respond helpfully
- Overcome some of the obstacles getting in the way of being the kind of parent you would like to be
