

Making Stepfamilies Work – 5 Week

West Leederville

Step and blended families operate in a different way to intact biological families. The dynamics of a stepfamily are more complex and there is a need for special understanding and management from both the biological and step-parent, working together, for healthy stepfamily growth to happen.

This 5-week course explores:

- Common emotional reactions and difficulties for children
- How parenting in a stepfamily is different to parenting in a biological family
- How to nourish the couple bond and work together as a team
- How to establish new routines, rules and boundaries
- The importance of building new stepfamily rituals and traditions
