

## **Stronger Stepfamilies**

Step-families and blended families operate differently, their dynamics are complex and there is a need for special understanding and management for a healthy step-family to grow. This one night workshop helps equip you with skills to create a loving and successful family.

During the workshop, participants will:

- Understand the life cycle stages of the step-family
- Explore themes of grief and loss for all members of the family
- Learn how to manage discipline and understand the needs of the children
- Understand the needs of the couple and how to grow a strong and loving relationship
